OUR INTRODUCTIONS FOR 1935.

HOOSIER GLORY I. D. Another new break in the ever changing type of the Dahlia, both in bush and flower formation. Bush dwarf, about 4 ft., and rounded resembling a Hedge, or a Boxwood plant. Blooms are the new *Chrysanthemum* type, and the color is a very brilliant, fiery scarlet. Per root \$ 10.00

HOOSIER SUPERBA I. D. A pleasing shade of delicate pink. Not a dead color as is general with most light pinks, but a very lively and sparkling pink. Long cane stems, and a bloom, that altho it be old and ready to throw away, never sheds its petals, an excellent large cut flower. Per root \$ 10.00

1935 INTRODUCTIONS OF OTHER GROWERS.

BETTE DAVIS S-C. A dahlia of exquisite merit. Color, exceptionally fine, deep violet rose, center slightly darker. Per root \$ 10.00

BUCKEYE QUEEN F. D. A clear lavender or mallow pink that keeps when cut and is always full to center. Per root \$ 10.00

DAISY TURNQUIST I. D. The bush is nice and compact and always covered with blooms of a deep rose pink and salmon orange. Per root \$ 7.50

KAY FRANCIS S-C. A perfectly formed, light lemon yellow that never burns or fades in the hottest sun, or in wind or rain. Per root \$ 10.00

JANE ROSS I. D. This new red which hails from the mid-west promises to take its place among the top-notchers because of its wonderful, spreading plant habit, good stems and freeness of bloom. Stock of this variety is quite large hence we persuaded Mr. Ross, the originator, to let us offer a \$10.00 Dahlia, the first year at a second year price. Per root \$ 5.00

OUR 1884 INTRODUCTIONS.

HOOSIER NIGHTS I. D. Color, as the name implies is almost black, being a deep velvety maroon red. This Dahlia tho classed as an Informal Decorative is of the new Chrysanthemum type, something new and unusual. Large flowers and long cane stems on a very tall bush. Truly a novelty. Per root \$ 7.50

HOOSIER RADIANT P. D. This monster bloom fairly glistens, both in the sun and under artificial light. Color, bright golden apricot with copper shading on outer edges of petals. Excellent cut flowers on very long stems. Also mighty fine for exhibition. Per root \$ 5.00

HOOSIER TRIUMPH I. D. A pure clear yellow, without any traces of other coloring, either shadings or markings, as with most yellows. Large flowers of good keeping qualities, on nice stems. Per root \$ 3.50

We have Dahlias in collections at \$1.00, \$2.00, \$2.50, \$3.50 and \$5.00 per dozen, our selection, all labeled, except \$1.00 collection, all different, as long as stock lasts. The best buy in the catalog for the money, and the only way for one who is not familiar with Dahlias by name, to buy.

PICK YOUR OWN COLLECTION.

You may pick 12 of any one priced Dahlia for the price of 10. For example: 12 - 25 cent Dahlias for \$ 2.50 and etc. All different. All one kind. Or as many of the different kinds as you wish.

Our stock is grown under irrigation and have not been injured by the drouths of recent years. Some growers say their roots have withstood the drouth and are the better. If you withstood an accident or serious illness, and the doctor told you that you were better off than before your calamity, you would say, that is a lot of Hooley. The same applies to plant life.

Our prices are cut to the bone and we cannot offer roots free to induce you to order, but why pay a big price in order that you get some roots of a cheap or non-salable variety, free gratis, only to be disappointed after they bloom, for in all probability it will be an old variety you have, long ago, discarded.
